ROCKETMAN

The epic musical story of Elton John from child piano prodigy, through the breakthrough years of the 1970's to international superstardom. A no-holds-barred biopic of one of Britain's most successful musicians.

2019 UK Dir. Dexter Fletcher 121 minutes.
Taron Egerton, Jamie Bell, Richard Madden

JELLYFISH

In Margate, a troubled teenage girl with a great line in sarky put-downs is encouraged by her drama teacher to try to become a stand-up comedian. We are expecting one of the producers of the film to join us for a question and answer session. Cocktails.

2018 UK Dir. James Gardner 100 minutes.
Liv Hill, Sinead Matthews, Cyril Nri

A feisty mid-west mother takes the law into her own hands after the police fail to detect the culprit who murdered her daughter, by advertising their shortcomings on three huge billboards. A bleakly comic study of small-town America.

2018 USA/UK Dir. Martin McDonagh 115 minutes.
Frances McDormand, Woody Harrelson, Sam Rockwell

SHOPLIFTERS

An extended family of thieves and petty crooks live tenuously in a Tokyo suburb with a Fagin-like father, who one night rescues a small girl who is left freezing outside by her parents. Her arrival causes the family trouble and heartbreak.

2018 Japan Dir. Hirokazu Koreeda, 121 minutes.
Lily Franky and Sakura Ando
